Building Your Team

Include your list of names of individuals and organizations that you worked with on your Take Action project. (Please attach a separate sheet if necessary)

Team Members	Relationship / Organization	Role

Briefly describe your project, what impact you hoped to make, and who benefitted from it:

How did the Girl Scout Promise and Law play a role in your project?

**List the skills, talents, and strengths you put into action during your project.
What did you learn or discover about yourself as a result of this project?**

What was the most successful aspect of your project?

If you could start over, what aspects of your project would you change or do differently?

How can you turn your project into something sustainable? Remember: sustainability means being able to keep something in existence or maintain it.

Possible Future Impact

How do you think your leadership skills will grow in the future as a result of completing your Girl Scout Bronze Award project?
