*A Scout Is Helpful...to local habitats...to global oceans...to others*

## **Badge Workshops**

From ocean science to the environment, we offer a variety of fun and informative workshops developed especially for scouts. Badge workshops are 2-hours long and can be held at your location or at Adventure Aquarium.

## **Meet Us In The WILD!**

These fun and immersive workshops take you and your scouts into the field. Choose between Pinelands and Wetlands Field Experience programs.
