

FACTSHEET

Girl Scouts of Central & Southern NJ

Girl Scouting builds girls of courage, confidence and character, who make the world a better place. Girl Scouts of Central & Southern NJ (GSCSNJ) welcomes all girls who wish to accept the Girl Scout Promise and Law. Age-progressive activities enable girls from diverse backgrounds to develop leadership, explore interest areas, learn the value of community service, and learn positive decision making skills. Under the guidance of trained adult volunteers, girls participate in self-esteem-building activities. The council has been chartered by Girl Scouts of the USA to deliver its program in an all-girl environment.

SERVICE AREA

GSCSNJ provides programs for girls who live in Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer, Middlesex and Salem counties and parts of Monmouth county in New Jersey.

GIRL SCOUT LEADERSHIP EXPERIENCE

The Girl Scout Leadership Experience (GSLE) helps girls learn the three keys to leadership through *discovering* themselves, *connecting* with others and *taking action* to make the world a better place.

A key part of the GSLE is the *leadership journey*, a coordinated series of activities grouped around a theme. Journeys provide "sample sessions" to give girls and volunteers ideas about sequencing experiences, discussions, and earning awards so that the "whole" feels like *one big adventure*. The journey will be much more fun and relevant as girls make it their own.

Think it's a full year commitment? Think again! Today's Girl Scouts have so many *flexible new ways to participate*. Enjoy camp, troop, travel, virtual, series or event opportunities that suite your interest and time.
