Girl Scouts of Central & Southern New Jersey (GSCSNJ) is fortunate to have more than 5,000 adult volunteers. Volunteers are the cheerleaders, guides, and mentors helping girls develop skills and confidence that will last a lifetime. Our volunteers introduce girls to new experiences that show them they're capable of more than they ever imagined.

Our volunteer's rock! Their dedication emphasizes the qualities that Girl Scouts value. Each year, we CELEBRATE and acknowledge those volunteers in Girl Scouting who provide service that is above and beyond expectations by presenting recognitions that are awarded at the Council level. In addition, many service units award recognitions at ceremonies held within their local community. Please join us in sharing those great stories by recognizing a volunteer that you know excels when sharing their time and talent with Girl Scouts.

This booklet is designed to provide you with the resources to nominate an outstanding volunteer. To facilitate the adult award process, the Adult Awards Committee (AAC) of GSCSNJ accepts its mission of providing a fair and judicious process for recognizing outstanding Girl Scout volunteers. The standard practice of the committee requires volunteers not receive awards in consecutive years, however special circumstances will be reviewed. Please feel free to reach out to the committee via recognitions@gscsnj.org if you are interested in being a part of the adult award planning and recognition process.
