Commonly Asked Questions

Can I bring food/ beverages?

Yes, of course! You are more than welcome to bring food and beverages. We kindly ask that you be mindful of items that may be messy. Please note that a mini fridge is available for smaller items, but space is limited. Most troops choose to bring coolers for storing drinks.

There is also a water fountain in the back with a bottle-filling station available for use. Please plan to bring your own paper products and utensils for your party, as these are not provided.

What is included in the package?

The DreamLab provides the space and the overnight experience for your group. Unless add-ons are purchased, Troop Leaders or attending adults are responsible for planning activities and bringing any necessary supplies needed for their group's experience.

Are there games/ movies?

Yes, board games are available for your group to enjoy during your stay. We kindly ask that all game pieces are kept together and handled with care. You will also have access to a television with ad-free Disney+ available. Please note that live television is also accessible, so we ask that adults monitor what is being watched and who is controlling the TV.

Can we bring stuffed friends?

Absolutely! Everyone is encouraged to bring their favorite stuffed animals, blankets, and anything that will help make the experience comfortable. We recommend pajamas, cozy blankets, stuffies, and any personal comfort or self-care items your child may need.
