

OCEAN DISCOVERY – BROWNIE LEVEL

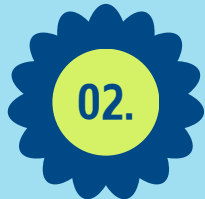

GSCSNJ PATCH PROGRAM

Purpose: By completing this patch program, Brownie Girl Scouts will become Ocean Explorers! You'll learn about amazing marine animals, their homes, and how to protect the ocean that connects us all.

To earn this Patch, complete 3 activities, including the starred activity that is required.

Visit your local library or, with an adult, explore websites like NOAA, National Geographic Kids, or Wonderopolis. Find out: What is a marine animal? Find your two favorite marine animals!

Research how certain marine animals are trained and what tools or techniques are used. Start with the SeaWorld website or another reliable source. List three training tools or methods you discover.

List two marine animals that are endangered and explain why. You can draw or write about what's causing them harm and what's being done to protect them.

Create a drawing or painting of your favorite endangered marine animal. Include its name and one fun fact about it.

Visit an aquarium near you, like the Camden Adventure Aquarium, The Wetlands Institute, or the Atlantic City Aquarium. Observe the animals, their habitats, and what the aquarium does to help them.

Find three ways you can help protect marine life and their habitats and share it with friends and family! (Examples: recycling, reducing plastic use, using reusable water bottles, or spreading awareness.)

OCEAN DISCOVERY - BROWNIE LEVEL

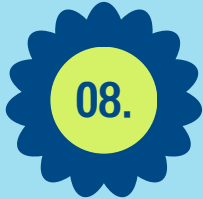

GSCSNJ PATCH PROGRAM

Purpose: By completing this patch program, Brownie Girl Scouts will become Ocean Explorers! You'll learn about amazing marine animals, their homes, and how to protect the ocean that connects us all.

To earn this Patch, complete 3 activities, including the starred activity that is required.

Support coastal wildlife conservation by joining a beach or river clean-up day or helping to plant dune grass!

Creating a flyer or mini poster about protecting ocean life and show it to your troop or family.
