Check-In and Check-Out Process

Check-In:

Troops or groups can start arriving to camp at 5:00pm on Friday evening. You should not plan on arriving any earlier. Early arrivals must be pre-approved by submitting a request to customercare@gscsnj.org. One representative should call the Ranger and inform them of your arrival.

Depending on your arrival, the Ranger will come to check you in either Friday night or Saturday morning. The Ranger will collect your Camp Site Roster and any outstanding paperwork. The Ranger will inform you at this time if there are any fire restrictions for the camp grounds and inquire about your estimated time of departure.

Two vehicles carrying your gear may enter your campsite. All other vehicles, including pizza delivery, should be directed to the parking lots. Please park vehicles in one of two designated parking lots. Two vehicles may be left at each camp site for emergency use only. Vehicles should not be used to transport individuals from activity to activity.
