

Camp Inawendiwin

Camp Inawendiwin offers a range of Day Camp and Sleepaway Camp opportunities for the independent Girl Scout eager to explore new skills and unlock their potential through a wide range of fun and engaging activities. From outdoor adventures to hands-on projects, every camper will experience a summer full of skill building, self-discovery and unforgettable memories.

My daughter has been attending Girl Scout Camp at Camp Inawendiwin since they was a Brownie. Last year, as Camp Aide they were able to help other campers enjoy all that camp has to offer and still have their own great time at both Sleepaway and Day Camp. The best part of Camp Inawendiwin is all of the friendships they make that truly last a lifetime. This is because camp is not just about camp, it is also about sisterhood.
