

Camp Oak Spring - - - - -

As Girl Scouts, we know that loving the outdoors is not only fun but also a great way to develop leadership and problem-solving skills. Oak Spring Day Camp will provide your camper with fun filled leadership opportunities, while connecting with nature.

At Oak Spring, campers will have opportunities to create their own adventure, develop a lifelong appreciation for the outdoors, and learn kindness and compassion for themselves, others, and our environment. This summer, watch your camper become a team player and develop skills that will serve them for the rest of their life.

Oak Spring Transportation

Camp Oak Spring offers bus transportation with centralized stops throughout Mercer and Middlesex counties. Pick up and Drop off times are estimated and based on enrollment.

Drop Off & Pick Up/ Before & After Care

Use your own transportation to drop your camper off in the morning and they will be in good hands until the end of the day.

Reminder: Families receive a \$30 discount per week per camper for providing their own transportation. Before/After Care is an additional cost of \$80 per week per camper, but families are eligible for the Own Transportation Discount.
