Thursday	Cookout for Daisies & Brownies Night Lights/Overnights* Family Nights*
Friday	Camp Lunch Closing Campfire

*The very last day of camp features our traditional flag retirement ceremony. If you have worn and tattered American flags, we'll retire them for you.
Thursday night programming varies week to week

On Monday of each week, both an informational postcard and a RSVP card for our Thursday Night activity will travel home with your camper. Please make sure to read through both of the postcards and send back the filled in RSVP card to camp.

The postcard will let you know what your camper will be eating for cook-out & any specific items that need to be sent in with your camper for the week. Additionally, we will let you know if your camper will be tie-dyeing so you can dress them accordingly.

The RSVP card will let the Camp Oak Spring staff know if your camper will be participating in our weekly Thursday evening activity (Overnight, Night Light, or Family Night). The Camp Oak Spring Staff will be onsite and on duty for the duration of Night Lights and Overnights.

Night Light:

Campers will get a second swim, additional program time, and dinner. Parents can arrive at camp as early as 7:30 for camper pick up, but all campers must be picked up by 8:00.

Family Night:

Join the Camp Oak Spring staff for dinner and activities! A registration link will be provided before your camper's week at camp. Check in starts at 4:30, dinner is served until 7:00.

Overnight:

Campers will get a second swim, additional program time, and dinner. Campers will sleep in either platform tents, acorn huts, or cabins.

Wacky Wednesday:

From mis-matched clothes to silly hair styles, let's get wacky on Wednesday! Campers have the option to participate in this wacky day however they would like, as long as the wackiness is safe and functional.
