

What do you get for the cost of camp?

When your camper joins us, they get everything they need for a fun and memorable summer! Here's what's included:

Convenient Bussing

Safe and easy transportation to and from camp each day.

Girl Scout Badges

Earn badges, learn new skills, and create lasting memories.

Healthy Cookout & Overnight Meals and Daily Snacks

Nutritious food to keep everyone energized for the day's adventures.

Camp T-Shirt & Commemorative Photo

Two special keepsakes to remember the most magical summer ever!

Family & Overnight Options

Join us for family nights and optional overnight stays for even more camp fun.

Closing Campfires

End each week with our magical campfire, celebrating new friendships and memories.

Special Activities

As you're looking through the camp programs over the following pages, be on the lookout for these programmatic pieces that add to your campers experience!

Night Light

A great intro for Girl Scouts who wonder what camp is like at night without having to stay overnight. Campers get to stay late on Thursday nights of specific weeks to continue the camp fun.

Fun fact: Camp Sacy calls their Night Light, Night Froggers because of their camp mascot.

Overnight

What better way to keep camp going than staying overnight? Overnights are held on Thursdays of specific weeks. This is the perfect opportunity for campers to spend their first night at camp.

Family Night

This extended camp day will offer families the opportunity to experience the magic of Summer Camp together. Enjoy a dinner on us, try out our adventure activities, and see what makes our Summer Camps so special.

Friday Closing Ceremony

Each camp wraps up their week with a magical experience special to each camp. More details will be shared via email and in our Family Handbooks of how your family can join the adventure and see the magic in action!

Trips

Some of our campers will get the chance to travel off camp and enhance their Summer Camp experience by taking a staff-led trip off-site.
