

Accessing Your MyGS Account

Your MyGS account is where you can update your and your family's Girl Scout membership accounts. Here you can do everything from updating a new mailing address to renewing your annual Girl Scout membership. If you are unable to access your MyGS account, please try the following steps:

Step 1: Log into your MyGS Account [here](#).

A screenshot of the Girl Scouts login page. At the top right is a "Close X" button. Below it is the text "Welcome to Girl Scouts,". The main heading is "Log In!". There are two input fields: "Email address" and "Password". Below the password field is a checkbox for "Remember me" and a link for "Forgot password?". A green "LOG IN" button is centered below the form. At the bottom, there is a link: "Don't have an account? Sign up now".

Step 2: If you have forgotten your password or **have not logged into your account since before our system update in November 2020**, you will have to complete the "Forgot Password?" process.

Step 3: If resetting your password does not work in gaining access to your MyGS account, you will need to clear your cache (cookies and browser history).

Step 4: If you are still unable to log into your account, please contact Customer Care at [856-795-1560](tel:856-795-1560) or customer care@gscsnj.org.
