Please make sure to read over all of the information, and then either fill out the Google Form or send back the filled in RSVP card to camp.

The postcard will provide you with information on any specific items that need to be sent in with your camper for the week. Additionally, we will let you know if your camper will be tie-dyeing so you can dress them accordingly.

The Camp Inawendiwin Staff will be onsite and on duty for the duration of Night Lights and Overnights.
