

# EXCITING VOLUNTEER OPPORTUNITIES

## Make an impact at Girl Scouts of Central & Southern New Jersey from behind the scenes!

There are many volunteer opportunities available that don't include volunteering directly with girls and troops. **The volunteers that work on specific tasks and events mostly behind the scenes are just as important as our troop-facing volunteers!**

### Specific volunteer opportunities include:

#### Office Support

Assist staff with packing items in bags, making copies, counting out packets, etc.

#### Committee Member for Planning Groups

Assist staff with planning, setting up, and running our large events for girls or adults

#### Committee Member for Girl Awards

Be part of a volunteer team to review Girl Award proposals and interview the girls

#### Committee Member for Adult Awards

Be part of a volunteer team to review adult award nominations and be part of the process to award adults

#### Volunteer Trainer

Become a trainer to help other volunteers (we offer training and step-by-step process and coaching)

**Get involved today!**
