Fall 2017

This Fall, Lead Like a Girl Scout

At Girl Scouts, your girl will unleash her inner **G.I.R.L.** (Go-getter, Innovator, Risk-taker, Leader)TM!

How? Through the Girl Scout Leadership Experience—a collection of engaging, challenging, and fun activities like earning badges, going on awesome trips, selling cookies, exploring science, getting outdoors, and doing community service projects.

At Girl Scouts, she'll get to lead her own adventure (it's her world!) and team up with other girls in an **all-girl environment** to choose the exciting, hands-on activities that interest her most. The idea is to **learn by doing**, and at Girl Scouts, she'll do lots of it.

She'll be inspired to discover her talents and passions in a safe and supportive all-girl setting. She'll join with other Girl Scouts and people in her community—and together, they'll take action to change the world.

Along the way, she'll gain important skills in four areas that form the foundation of the **Girl Scout Leadership Experience**:

- **Outdoor Experiences**
- **Science, Technology, Engineering, & Math (STEM)**
- **Entrepreneurship**
- **Life Skills**

While she may be exposed to these subjects at school, in other youth programs, or even on her own, at Girl Scouts she'll experience them in a unique way that puts her on a **path to a lifetime of leadership, adventure, and success.**

And because our program is girl-led, girls decide what they'll do, together.

IN THIS PROGRAM PREVIEW, YOU WILL FIND COUNCIL-PLANNED ACTIVITIES FOR GIRLS, TROOPS, AND FAMILIES. THE PRICE SHOWN IS FOR GIRL MEMBERS. FOR MORE INFORMATION AND TO REGISTER FOR ANY OF THESE PROGRAMS, VISIT WWW.GSCSNJ.ORG/EVENTS.

Now, Help Her Choose Her Adventure!

Outdoor Experiences

Many girls tell us “camping trips” are one of the best things about their Girl Scout experience. It’s true: connecting with nature in a girl-led setting is a big benefit of belonging to Girl Scouts. She will create her own outdoor adventures and develop a lifelong appreciation for nature...and that’s great news—because when girls spend quality time outdoors and increase their exposure to nature, they thrive physically, emotionally, and intellectually.

STEM

Research shows that girls are keenly interested in STEM and excel at it. Yet, for a variety of reasons, girls often don't pursue these fields—but we can change that! Girl Scouts who participate in girl-focused STEM programs become better problem-solvers, critical thinkers, and inspirational leaders, get better grades, earn scholarships, and see STEM as the foundation for a meaningful and successful future. Perhaps she'd like to...build a robot, develop a video game, or cure a disease...the possibilities are truly endless!

Entrepreneurship

The Girl Scout Cookie Program is such an important (and exciting!) part of the overall Girl Scout experience. The program lets girls show the world their entrepreneurial spirit as key members of the world's largest girl-led business. As cookie entrepreneurs, girls gain essential life skills and work as a team to accomplish common goals, while building the confidence they need to shine as girls, as young women, and as future leaders.
