

To all Girl Scout of Central & Southern NJ members:

We recently learned that a large number of members were opted out of receiving any communication from the Girl Scouts of Central & Southern NJ (GSCSNJ). If you have opted out of communications, we cannot send you an email or contact you by phone or text.

We want to ensure that members who want to stay informed and receive relevant and timely information regarding the cookie program, girl programs, and council events have that opportunity.

Please follow the instructions below to update your profile information so you can begin receiving GSCSNJ communications:

- Log in to your MyGS account.
- Click on My Household
- Click on Edit Profile
- Scroll to the bottom and check that you are opted in for emails, phone, SMS (text) and photos.
- Click Save.

The screenshot shows a user interface for editing profile information. At the top, there are four buttons with plus signs: "Spanish", "Sign Language", "Vietnamese", and "Tagalog". Below these is a section titled "Communication Opt Ins" with four checkboxes: "SMS Opt In", "Email Opt In" (checked), "Phone Opt In", and "Photo Opt In". At the bottom left, there is a link for "Marketing preferences" and at the bottom right, there is a green "SAVE" button.

If you wish to select what information you receive from us, click Save and refresh, then click on the Marketing Preferences at the bottom of the page, and select if you want to receive emails from both GSCSNJ and GSUSA.

Manage Your Email Preferences

Please update your Email Preferences below to adjust the type of information you receive from Girl Scouts of the USA and any Girl Scout Council(s) you may have association with. You may also opt-out of emails from any specific council or Girl Scouts of the USA. If you would like to opt out of all messages from **Girl Scouts of the USA and all councils**, please click the button at the bottom of the form.
