

Girl Scouts Prepares Girls for a Lifetime of Leadership, Success, and Adventure

Our Program: At Girl Scouts, a girl unleashes her inner **G.I.R.L.** (**Go-getter, Innovator, Risk-taker, Leader**)™ through engaging, challenging, and fun activities like earning badges, going on awesome trips, selling cookies, exploring science, getting outdoors, and doing community service projects. Girls gain important skills in four areas that form the pillar programming of the Girl Scout Leadership Experience: STEM, Outdoors, Life skills, and Entrepreneurship.

Girl Scouts of Central & Southern New Jersey (GSCSNJ)

We are one of 112 councils nationwide chartered by the Girl Scouts of the USA. Locally, we connect 18,000 girls and 10,000 volunteers throughout 9 counties in central and southern New Jersey. We believe in the power of **G.I.R.L.s**, from her first sleepover with her very best friends to designing her own adventure at summer camp in the Pine Barrens, all while teaming up with other girls in a safe and supportive all-girl environment. From traditional troop activities led by local volunteers to council-sponsored programs, there are many ways to explore the world of Girl Scouts. Girls choose hands-on activities and unique experiences that excite them and they learn by doing. They explore their full potential by trying new things and developing specific skills. Girls join with other Girl Scouts and people in their community — and together, they take action to change the world.

The Girl Scout Law

I will do my best to be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.

At Girl Scouts, she will:

- DISCOVER**
Find out who she is, what she cares about, and what her talents are.
- CONNECT**
Collaborate with others, both locally and globally, to expand her horizons.
- TAKE ACTION**
Do something to make the world a better place.

Girl Scout Alumna

Since 1912, more than 50 million American women have made Girl Scouting part of their lives. Girl Scouts has shaped individuals and, in doing so, has shaped history. Sixty-four percent of today's women leaders in the United States, including those from corporate, public service, political, sports and entertainment fields, were Girl Scouts. Women who were once Girl Scouts are invited to join the Girl Scout Alumnae Association locally and nationally.

Volunteer Services

To ensure Girl Scouting offers a safe and quality girl leadership development experience, all adults are provided leadership skills training to prepare them for their volunteer role. Their volunteer interest is matched to a need within the organization – one that best suits their abilities, interests and availability.
